ORDER:

1. In the G.O. 6th read above, orders were issued permitting all Sugar Mills having cogeneration facility capable of running with coal under Section 11 of Electricity Act, 2003 to generate power by using coal as fuel during the non-crushing season from the date of the orders up to 31.05.2012 only and also that permission to generate power by using coal will be given only after a certificate is issued by the Cane Commissioner confirming completion of crushing operation as well as non-availability of Bagasee with Sugar plants.

2. In the reference 7th read above, the Chairperson/APPCC & Chairman & Managing Director, APTRANSCO has informed that due to monsoon uncertainty and prevailing power demand in the State, APPCC decided and requested the Government to extend the directions issued in the G.O. 6th read above under Section 11 of Electricity Act, 2003 to existing Bagasse Cogenerating plants to generate the power by using coal as fuel upto 15.11.2012 Or Commencement of crushing season which is earlier and issue necessary directions in the matter.

3. In view of the above and in continuation of the orders issued in the G.O. 6th read above, after careful consideration of the matter, Government hereby permit all the Sugar Mills, having Co-generation facility & capable of running with coal, under Section 11 of Electricity Act, 2003, to generate power and deliver to the APDISCOMS for the period commencing from the date of issue of order and up to 15th November, 2012 Or the date of commencing of crushing season of any factory (as certified by the Cane Commissioner), which ever is earlier.

4. The Secretary, APERC is directed to determine the compensation payable in terms of the said Section of the Act and APDISCOMS and Cane Commissioner also directed to take appropriate action in implementing the order.
